

All the clinics in the North Region as Private and in order to register for any of the clinics, you must contact the clinic person whose name is attached to the clinic you would like to register for and they will send you the link.

**New Officials**

- New officials in the North Region, which includes Edmonton and area need to take their clinic in their home community first and if they cannot, they need to contact their community RIC (depending on their address) to see if they can attend another clinic elsewhere.
- If they do not contact the local RIC and decide to take a clinic elsewhere, they will have to get their officiating assignments from the community they took their clinic.
- Clinics in the North Region including Edmonton and area are located on the Hockey Alberta website. The link is attached for your convenience

**Returning Officials**

If you decide to take a clinic outside of the North Region, you need to contact your local RIC prior to attending the clinic to let them know so that you are not missed on the provincial roster.

Date	Private / Public	Level	City / Town	Clinic Contact	Email Address
